Welcome to Jamaica Plain Open Studios!

You will get to meet many different artists and see all kinds of art. You'll see stuff you like, some stuff you don't, and maybe something you've never imagined!

As you walk around with your grown-up, use this guide to make this year's Open Studios one you'll never forget!

What kinds of art did you enjoy when you were my age?

Which piece are you most proud of?

What makes your artwork unique?

What made you decide to use this material?

meet the artists!

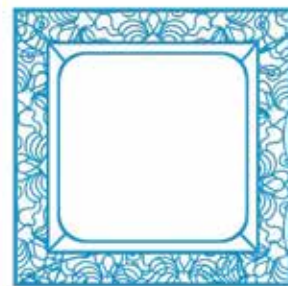

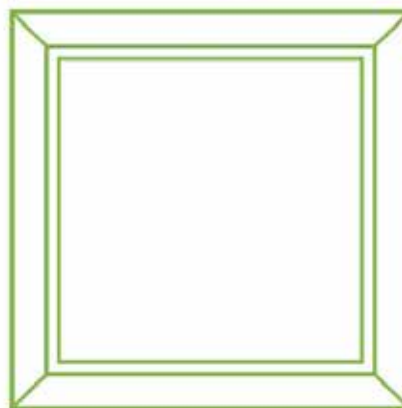

Did you know most artists LOVE to talk about their artwork? Not sure what to ask? Try asking them some of these questions. What else are you curious about?
